

AUSTRALIAN E-RESEARCH INFRASTRUCTURE COUNCIL (AeRIC)

AeRIC MEETING – 10 OCTOBER 2007

AGENDA ITEM 8: AeRIC discussion on ARCS - interaction with PfC and NCRIS capabilities (Rhys Francis)

Purpose

For AeRIC to raise any additional concerns with the implementation of ARCS and to discuss the opportunities for interaction with other areas of PfC and other NCRIS capabilities.

Issues

Rhys Francis will lead a discussion on the current and potential interaction between ARCS, other components in PfC and other NCRIS capabilities.

Action

That AeRIC discuss its views on ARCS and agree to forward any significant comments back to the ARCS Interim Executive Director.
