

# NATIONAL COLLABORATIVE RESEARCH INFRASTRUCTURE STRATEGY

## CAPABILITY 5.16 (Platforms for Collaboration)

### Workshop: Consultation on data Management

#### Meeting details

Date: 23 October 2006  
Time: 9:30am-5:00pm  
Venue: Hilton Melbourne Airport  
Chair: Dr Rhys Francis  
Participants: See attached list

#### AGENDA

#### 1. Welcome and introduction – plenary (9:30-10:00)

**Purpose:** to provide the context for the consultation process, including an overview of the NCRIS process, the interest in data management reflected in related PMSEIC and DEST activities, and the objectives for the day.

#### 2. Summary of inputs to the meeting – plenary (10:00-11:00)

**Purpose:** to provide an analysis of the inputs to the meeting along with some short presentations by research communities on the methods they have employed to deal with their data problems – pictures of the current state.

#### Coffee/tea and continuing discussion (11:00-11:15)

#### 3. Priority issues – group discussions (11:15-1:00)

**Purpose:** In three themed groups (science, cultural and medical): provide feedback on the inputs and analysis (the good, the bad, the missing) and the priority issues for that theme.

To simplify the process on the day, attendees will be assigned to a group and each group will have a pre-nominated group leader. Outputs will be presented to the workshop before lunch.

#### Lunch (1:00-2:00)

#### 4. Clusters of requirements – plenary (2:00-3:00)

**Purpose:** To discuss the clustering which appears around the requirements for data management identified in the analysis and/or the earlier discussions.

#### 5. Cluster related issues – group discussions (3:00-4:30)

**Purpose:** In groups for each identified cluster, propose the priority issues and actions (plus who is responsible) and identify which is cluster specific and which is more general. Discuss the means by which researcher engagement could be achieved for the cluster. Report back to the meeting by 4.30.

#### Coffee/tea (3:30-3:45)

#### 6. Summary – plenary (4:30-5:00)

**Purpose:** Review the outputs from the day and next steps in plenary discussion.
